## ◆ Chhatrapati Shahu Ji Maharaj University Kanpur

2024 - Present

B.Tech-Information Technology

# Projects

## ◆ React Text Analyzer

In this project I use react.js concep.I also use tailwind css and javascript.

By usinf this text analyzer we can count wordschracter sentence change to lowercase and upper case and many more function- alities are added.

## ◆ YouTube Video Downloader

I made this project using javascript and node.js.

## ◆ Fresh Meal Website

In this project I used HTMLCSSand javascript.

# Achievements

At my school time, I am selected in list of olympiad toppers list.Only 2 students are selectes including me.

In college I became a part of codechef community and be- sides from that I run a coding plateform in college to help the juniors.
